IceSword7(not starting anything)

But actually crimson started all of this by going to the clanwars forums where she knows shes not welcome.

(not starting anything i wasnt me that flamed u)

Same thing back to you, don't mean this as a flame.

As far as I know she went as PR of Renguard to announce some updates on it, and got flamed out from the first responce on. But I guess CW would rather be in the dark about Renguard.
