KobraOps wrote on Sat, 29 May 2010 19:31Nice, seeing deadmau5 live must be pretty sick. I wish I had a chance to see Daft Punk live

Yeah Daft punk live is something I want to do as well, BADLY. Will prably be 2940270923508237 times to expensive or sold out, but still... I want!

I really dislike the fact that Daft Punk doesn't seem to have any roster or w/e on their website.
