Spoony wrote on Thu, 27 May 2010 08:37 and in renegade it takes a very careless mammoth to lose to a flamer. if you use the mammoth wisely you'll position yourself so that you see the flamer coming. one mammoth can quite reasonably fuck up a 3-flamer rush.

Thats true but one thing I want to add is the fact that not everyone is a pro.

Of course a begginer who buys a Mammy is going to get pwned by one Flamer as they are not expecting it to even be possible, it goes agaisnt their logic when a flamer pwns a Mammy.
