[quote title=HaTe wrote on Sun, 30 May 2010 13:07]You're posts are wrong though
Goztow....your opinions are flawed...

Basically, c4 feature warns you the same way that building bars does - the only difference is that with buildings bars you know where to defend, and with mine count you may have to search./quote]

depends on the map- some maps usually have an infantry chokepoint or two where it's easy to know where the enemy would be coming from.
