I reckon it's Spain's tournament to lose.

Last i watched the world cup (2006) we beaten the japs right?

I hope england going to win the next world cup in 2014 considering they only won one in 1966

We beat Japan on the 30th of May last month, 2:1. However, Japan scored all Three goals (Two of them where home goals).

We're shit mate. I'd love us to win, but it isn't going to happen.
