IceSword7Javafx For some reason, you seem to think that what you've done in the past shouldn't affect the way people talk to you. I will hold you to your racist comments every time you stick your weasle-like nose in here. You don't make comments like "QUIET NIGGER STAIN" and expect people to forget it?

I believe Arnold said it best: "You're an idiot, you deserve to die."

you cant tell me u never joked around with ur friends and said N***** in a joking fashion just cuz u say it once in a while doesnt mean ur in the kkk

No, as a matter of fact, I don't. I'm not so petty as to even joke about such things. It's called "maturity".
