Historically there have been other races commit acts of terrorism, yes. However, none have compared in numbers to the amount of Muslim terrorists we live with in the world today.

Also, the IRA gave up their weapons. When the Oklahoma bombing happened their was 5000 IRA supporters celebrating it.

Millions of Muslims celebrated 9/11 from Morocco to Indonesia.

Just to reiterate what I am saying:

Not all Muslims are terrorists, but it's a sad truth that nearly all terrorists are Muslim.
