Did anyone watch the Greece vs South Korea game this morning?

I thoroughly enjoyed it, was great seeing Samaras fail majorly.

Overall, I'm enjoying the world cup so far - South Africa were unlucky not to beat Mexico, Uruguay were going to win until the get that defender sent off, had to then play it safe meanwhile France were asleep for the majority of that game.

Argentina vs Nigeria was a good game overall, but I was hoping to see some more goals from Messi or Milito. Nigeria done around average throughout the first half, but put in the effort with 15 minutes left on the clock - if only they'd have done that earlier, it may of ended up a great game.

Apologies to any English people that read my comments in this thread, I just do not like the English when it comes to sport, and like the majority of you here anyway, but not when it comes to sport.

I hope USA inflict a few goals onto England tonight, or even snatch the 1 - 0 Victory, just so England are that step closer to coming home without the trophy.

Regards, Hypnos.
