Winter1991 made it today, he just gave it to me  
But, feel free to make it yourself too if you want to, i will place it  
on the site as well..

Unlike the mapname says this map was made by Winter1991 from st0rm.  
It is a large map with no obstacles so you can have bigass wars going on.  
Tiberium Spikes are present and EMP are present.
