---

fuk verbeek

absolute idiot, what was he thinking about playing without a recognized striker  
cahill just cant play as a lone striker

god knows why kennedy or kewell didnt play

our offside trap worked like shit  
stupid to play a high line on germany

gg, germany deserved it

now we have to beat ghana and serbia and not concede for goal difference and if ghana play like they did against serbia its gunna be pretty hard
