wiener says it's him or you... that's an easy choice for me, believe me. I consider him a better asset to the team than you, and I would have said so even if you hadn't had your ob walk hissy fit the other day.

Quote:and your denying everyone that ability because of a personal dispute 6 months ago? we already have decent players.

I challenge you to find one quote, just one, from me saying that. otherwise you should publicly admit you're making stuff up.

Quote:nor were the players (ex: nunega who lagged in them and hes from the UK)

he's also a compulsive liar and an extremely unfair player, but model yourself off of simpee and that's what will happen.

Quote:Thats beside the point now, you made it an issue and if people find losing just as fun as winning I guess you guys can forgot about adding any more decent players to your roster Two things. Firstly none of our team mind losing (so long as the game is fair and so long as our team actually makes a decent attempt at it), secondly we actually have won the majority of our community matches so far.

Quote:then im just unlucky I guess as both team captains are known to hold grudges.

both gozy and myself are certainly reluctant to let in players who -a- can't be at all trusted to play fair and -b- have repulsive personalities. on those grounds, you certainly are unlucky.
