Oh darn. We should be ashamed of ourselves for living "up" to your standards.

Maybe if we started spelling everything wrong, lost all concept for grammar, and misused the English language like you, we could turn this place into the kind of thing you would like to see.

Nah.

LOL your pathetic, your totally dodging the whole concept and point of me being here and looking for a game with you n00bs. You switch conversation to CW vs Crimson and settling the on going bickering, to how i spell? LOL you fucking dodger go die under a rock.
