it's true james wasn't really putting on a bad performance by any standard, it's just that the defence was a complete joke and the forward guys weren't that good either

and let's be honest, lampard obviously scored and the officials need to be in the next "Should have gone to Specsavers" advert

still, i enjoyed the game. german's first goal really impressed me. my bass player was loving it too, he had money on germany to win.
