Fixed

You mean StarCraft 1, right? You won't like StarCraft 2 since you won't be able to download all your precious hacks right away.

No... Because my comp wont even run StarCraft 2

Cheating in SC is considered as crime, you're balls will get cut off. Prepare.

So you cheat in ren and SC also? Thats faggotary, your second faggottest person here on forum next to troomp2. Im third/fourth so gg.
