DBZ's really the only anime I like. I don't like all the others they try to introduce every year. indeed dbz was when i was like 10/11 years old, it kicked all.

for the rest.

anime is gay, people who are older then 18 who like anime are sad and should be banned of society, receive a neck shot get raped by gay people.

fuck anime, fuck it hard. fuck that stuff so badly. and seriously fuck all the haters who dislike anime haters.
