Marshcounter strike is easy, why do you need an aim bot for that game anyway?

and renegade, why do u need an aim bot for that as well, why did u even bookmark the site,
:rolleyes: .

at least we now know ea is doing something

I have to express my opinon here in that Couner Strike is not an easy game at all the damage is real and the players are excellent alright maybe it requires less strategical precisson than C&C Renegade but it is certainly not easy.
