Omar007 wrote on Wed, 07 July 2010 16:29 You guys live in the middle of nowhere or something??? xD

It was packed when i went

(or probably everyone else saw it already )

I live in one of the most densely populated areas in North America (not to mention one of the smallest).

Judging by how it wasn't being shown in many other theaters closer to where I live, I'm going to say that the reason why the theater was so empty was because everyone already saw it.
