R313 things to say:

HAHAHA again azazel is a retard and that was the worst excuse i have ever heard.

R315r4z0r- Very bad observation. And really all 99% of the people on these forums do is whine or post spam. Also, the fact that whining turns you away from a server definitely tells me u have Downs syndrome.

Dover- Your such a fucking idiot. I wish SS was here to post that fucking hilarious picture of you hahahah.
