Welp while writing a artical on my site called THE ORIGEN OF COWMISFIT where i told where i got my name because lots of people ask me about it i got ot thinken a lot of u guys probly have a lot of good storys about how ur name came about sooo i was wonderin if anyone thought it would be cool if i made a site about where Players of the following games got there name.Please post a name for it if u got anygood ideas i was thinken The Origen of Gamer Nicks but that too long i think got any ideas?

List of the games i would cover but not limetied too.

C&C Tiberiam Sun

C&C Red Alert 2

C&C Renegade

C&C Generals

HL Counter-Strike

HL HALF-LIFE

HL Team Fortress Classic

BF 1942

p.s post any other suggestens for games if you think the site is a good idea.
