because he's not posting.

I'll remember to bump this if he turns up, fear not.

I doubt he will post in this topic

He's probably busy doing the following:

'sports, partying, hanging out'

No time for us!

laying on the couch crying?

Prolly just moved on to cheating on some other online game.

Whilst applying for moderator/administrator positions and condemning those who are caught
cheating and expressing his disgust for those who do.

Sounds right.
