nikki, because he could eat tildeth

the best player i've seen would have to be Wrs
he's just a monster

i have to respect 0x90 for single-handedly fucking renegade into the ground

i'm not sure who made what but i have respect for every coder who tried in some way to help the
game
though Hex acts like a child

i respect Jelly for giving me a good community to play and mod in

Karmai is probably the highest in renegade
