Subject: Keep getting an error some sort of.
Posted by painkid33 on Sat, 31 Jul 2010 04:08:53 GMT

hello, I'm keep getting error saying in Renegade Editor about a certain file. it not really big just 100 by 100.

TimeManager::Update: warning, frame 493 was slow (24742 ms)

Is there a reason why??

Regards,
Pain
