Cmatt think I remember you. Im Sn1p1ng4u. Ok good news. My login box appeared as i just tried it out. Bad news wont let me login with my old account. Probably because it wasnt made on this serial Number. Anyway i can fix that? I'd like to have my old rank and stats back

[Edit] Forgot a letter in my password to make it 8 letters long. Sorry for draggin on the topic. I have the gamer list now ...
