4-0.

@hate, are you the same hate that tried to challenge me to 1v1 ctf lol? why 2v2? stop beating around the bush and actually play me....sadukar PM'd me his MSN, so ill give him props for having more balls than 99% of the people here who really care about losing apparently (but all talk how pro they are on the forums LOL).

1v1 ctf? lolwut? No....

Because 1v1 is boring as fuck, and the only actual fair map for both teams is field - which still favors gdi anyway. I'll 1v1 field you if you want, but we'd have to 1v1 snipe after so i don't bore myself to death. Hell, we can even make it a cw. The best part is that if i lose i could care less, but if you do, it's the end of the world. So, whataya say!?
