Wow, brilliant discovery!

I've finally figured this out...

backwards it spells: 7 11 Kra

But Kra is a intregal part of this...

I believe Aliens are very stupid, and cannot spell worth a crap, so the "Kra" was supposed to say "Crap" but they misspelled it and the last letter, p, was torn off when it crashed, therefore "7 11 Kra", in other words, we are the trash can of space convenient stores...
