IAmFenix wrote on Sat, 28 August 2010 21:10I should be able to come and play, any rules/restrictions I should know about?

Play cleanly. Naturally no cheating. We play with clanwars settings, which means we don't want clearscope / advantage skins.

Listen to Spooky (or we lose).

That's about all.

Game settings are also clanwars, so 0 starting credits.

Listen to Spooky.
