LOL about time you cought me...... It is truley sad and kinda well umm. sad that wil
yet again. I move soon and will even be in differant state.

Tips on catching bigbodys w/o fraps you fucking retards... when haveing them shoo
angle... Have the person get a chain gun and start shooting around the hip area an
shot cant happen and when they do it's a glitch in the hack have them shoot you i
you have used big bodys before and well you fail. took you a year. seriously a fucki
me or you never would of.. Not anyone here atleast.. This game is dieing fast so i w
day in the ref. Wilo should of known this but shows the lack of brainpower in this co

So MANY of you i played and used its not even fucking funny..

This post will be deleted because wilo/troy or even ---- jade that has no life that --

fuck off you were played for a year.. now eat it...

Justin
