halo2pac wrote on Tue, 07 September 2010 13:22I don't know if coop servers can be weeded out of the stats... since all servers report to the laddder in the same way.

Also the ladder does not matter... since you can easily host, modify the ladder data per game (server side w/ scripts.dll) and send false stats to the ladder.
Not to mention it appears to be glitched up the ass as well:

Good thing the names didn't finish. Chiefpower is such a fag.

I know what the glitch is too, if Crimson or anyone really want to know.
