How ever if they post that saturday night they went to nikki6's, droped acid, had a all dude gang bang, got AIDS, bumped 3 year old threads, over dosed, and listened to Justin Bieber all night then no it is none of their damn business.

School (and employeers) have no grounds to worry about what you are doing beyound the time you owe them. It isn't their right and it sure as hell isn't their place.

What if n00bstories banned a person because they posted on FB that they got a speeding ticket for going 69 in a 25? That wouldn't make much sense now would it? How ever if some one posted SS of cheating in Renegade on FB them we would lay teh bant down.

Well said.
