If you have MSN, feel free to add me (Cabal8616@hotmail.com) I can do RenX work, as well as Level Edit work (I've done a ton of my own little mods, just never released them to anyone outside of a few close friends).

I'd love to help, but I have problems checking a forum and all that, so MSN contact is best if I can actually talk it up with you and get myself into the mood.
