CarrierII wrote on Sat, 02 October 2010 14:34 Does that ladder's technical backend log serial hashes, or anything? Can we count the unique players?

As far as I know it currently doesn't log the serial hashes, so every name is counted.

Di3HardNL wrote on sat, 02 October 2010 15:09 Stupid people are those who make multiple names on one day, probably like you Anon.

How did you know
