---

I \*tried\* to ban him, but forgot that the FOD svrs do not allow messages to go along with said ban.

IceSword, look at your rep. You are an idiot, plain and simple.

IMO, he was right to ban you.

(Oh, and BTW, complaining should be done on [www.forcesofdiversion.com](http://www.forcesofdiversion.com) for FOD servers, not here.)
