STOP DOUBLE POSTING - FIRST OFFICIAL WARNING! (Replete with PM...)

Edit - First and only official warning was a bit harsh, it's only double posting. Please use the edit button.

(Please do not make me make a tutorial with screenshots on how to do this...)
no offence but you cant call this double posting because they were quotes to diferent ppl and the last comment was towards everyone so u cant call that double posting
You can easily quote more than one person in a single post. You just need some copy-pasting and a quote tag.
