KIRBY098x50c3ntFine, all of you are absolutely correct about every statement any of you said. I was wrong the entire time. Now, I ask Kirby, Warranto (whoever you are) Jav, ACK, and anyone else from this poor excuse of a "community" site - will you play us? Or if not any of you want a 1v1?

I can just imagine how you would react if I won.....

"OMFG !!!!!11111111111111"

That would never happen
