<http://www.funkylist.com/ViewList.aspx?id=217&name=A+list+of+video+games+that+people+have+died+playing>

this one is pretty sad:

http://en.wikipedia.org/wiki/Video_game_addiction#South_Korea

humans are social creatures and video game addiction take people away from their social life (at least partially), and this causes an abnormality which could result in an instant and unexpected death.

if you ask me, doomsday could be near.
