Hey everyone I'm new to the forums and I had some quick questions for you guys. Back when I played renegade It was ran by westwood, but when westwood went under i stopped playing. I found this website last night going down memory lane an I realized people still play Renegade. So I want to come back.

So:

- 1) Is renegade still going strong?
- 2) Who runs it now?
- 3) Do I just buy the original Renegade game?
- 4) Any mods or patches I need to play this game?
- 5) If Renegade is yesterdays news what other games like Renegade (2 teams, Tanks, helicopters, 1st/3rd person shooter) can I play.

Thank you!
