reborn wrote on Wed, 17 November 2010 09:32Today is the last day of submissions, and I've only received Two. They're both very ghood submissions, but it's a bit of a two horse race at the moment.
If someone really needs me to hold off a couple of days then I will, but I kinda need to know now.

Please do, I've been swamped by beta crunch at work and have been unable to finish my exporter yet.
