If you pay close attention you will notice all the big titles are releasing their goodies around the end of 2012. Microsoft, EA, and a few others.

My guess it is to save on costs and over head by waiting for the world to end.

So expect the TT patch by 2013.
Also this is when i am getting married by.

What? I cant throw my funny 2 cents in?

Im actually thinking it will be out by feb next year.
