trooprm02 wrote on Wed, 17 November 2010 13:32How can teams not be unfair? If its auto-remix, teams can be remixed unfairly. Also, FYI to anyone in the US, its an EU server so expect 200+ ping (saying this now instead of people dropping midgame).

This should be posted around a few different communities tho to make sure enough people come out.

Actually, when we did this last weekend I did not lag one bit. It actually played just as good as a server in the US would, if not better.

Duh teams can be remixed unfairly, but the odds of them being remixed unfairly consistently aren't likely, especially since 1 and 2 are not on the same team the next map.
