The screenshot shows the 'Advanced Listings' screen in the game Renegade. At the top, it displays 'Connected To: XWIS', 'Login: limewire3', and 'Speed: Cable Modem bps'. The main area is a table of game listings. The table has columns for 'Icon', 'Host Name', 'Game Name', 'Game Map', 'Players', and 'Speed'. All entries in the 'Game Name' column are 'Version Mismatch'. The 'Host Name' column shows various alphanumeric strings like 'A00', 'A000', 'A00000', 'a000000', 'a0000000', 'a00000002', and 'a00000004'. The 'Game Map' column shows a circular map icon with some text like 'A1/' and 'yyyyEeGuai/'. The 'Players' column shows '2452460/4' through '2452464/10'. The 'Speed' column shows '(45386)' for all entries. At the bottom, there are buttons for 'Back', 'Page Buddy', 'Refresh', 'Host a Game', and 'Join Game'.
