Hitman wrote on Fri, 26 November 2010 10:10i didnt read it, so dont thank me.

WikipediaIn Internet slang, a troll is someone who posts inflammatory, extraneous, or off-topic messages in an online community, such as an online discussion forum, chat room, or blog, with the primary intent of provoking other users into a desired emotional response or of otherwise disrupting normal on-topic discussion.

I believe it is possible just have to like re-read a log file or keep all messages in memory.
