Trust me, it was like 600 words long.

But it was all flame bait. Valid argument or not. I don't feel like dealing with it. That's why I ended up not posting it.

The reason I made a post at all was because I spent so long writing it up and then just went and scrapped it. I didn't want to totally waste my time... so I said something.

But in hind site, it was kind of stupid.

If a mod is reading this, delete my last post as well as this one, por favor.
