Glock wrote on Thu, 16 December 2010 01:10l really thought people would catch on the Call of Duty scam after MW2. I guess not. Sheeple just don't want to hold on to their money, I guess.

I love both MW2 and BlackOps. They both have their strong and weakpoints, but they're certainly not bad games imo. I do think there should be some new innovations in the next COD installment though.
