Skysniper wrote on Tue, 04 January 2011 12:16 Yes, multi is fun with a friend or two. . also always fun to sit and watch the bots kill them selfs with that stupid "Green launcher" thing i hate < Z3 knows what i mean :/ > . . Anyway back to topic, i am unable to use pistol, i got it working "Some what" but it spazes out and turn into something you see on saturday night live. . might need to make that special format for some people if they have the same problem :/

the personnel launcher is amazing sky.

you got some kind of video software to show me that? i wont be free this weekend
