EvilWhiteDragon wrote on Sun, 16 January 2011 16:16 Well, thanks to the support of Jelly and N00bstories the stress test was a great success.

Oh well, at least some regression bugs got fixed.

Perhaps if the right people were notified about this event we could have helped out. I don't read this forum on a regular basis and wasn't made aware of the test until someone pointed it out to me just now on IRC

Maybe next time
