I remember somebody trying to do a poll on the best Renegade sniper but due to the fact of him not being able to include all the viable nominees in the poll he was no able to do this properly so...

Please post who you think is the best Renegade sniper here and I will update the starting post (this one) with how the voting is going every night or whenever I can during the day...

Of course if you have any objection to this topic I will delete it...

OK then let the voteing comence.
