EpyonWow, nice language.

Now stfu and die, kthnx

OMFG LMFAO! ITS A FUCKING FORUM BOARD FFS!

^felt like that needed to be said since you people take forums way to seriously^

and for you people that obviously can't understand the abbreviations because your always bitching about the grammer:

OMFG = oh my fuc-king god

LMFAO = laugh my fuc-king as-s off

FFS = for fu-ck sakes

If i made a type then fuck you, i'm not gonna (going to) take time out of my day to change the shit (grammer)
