Initial XWIS Account Setup

Registering a nick on XWIS for Renegade and other C&C games is very easy. All you need to do is set up a Game Account at XWIS.

Here's how to register on XWIS and login to your Game Account:

1. Register at the strike team forums
2. Login to your Game Account using that username and password
Login to CP

Register Nick

1. Click on the "Create Nick" link.
Game Account
2. Choose the game for which to create a nickname.
Select Game
3. Enter the nickname you want in the textfield.
Enter Nickname
4. Enter serial when asked (applies for: Tiberian Sun, Red Alert 2, Renegade).

To reset the password

Use the RESET PASSWORD button to reset your password
