I've noticed that over the past few weeks, there has been very little to no attendance regarding these lobby wars. This is disappointing to see. I feel we should try and get these games going again, because they were hell of a lot of fun, and I've noticed that I've been playing a lot more 3v3 style games with people who have attended these lobby wars a few times.

However, we will resume our usual schedule tomorrow evening (Sunday, 6th February) by participating in our usual lobby wars at the usual time, 8pm GMT 3pm EST @ ts3.thekoss2.org

For the past few weeks now, these lobby wars have been finished rather abruptly after a few maps, and this is not what was expected when organising these games, therefore if it is possible, we will aim to play at least five maps this evening.

I hope to see you all there.

Regards, Hypnos.
