I still haven't been able to reset my passwords. I have made an account at strike-team.net. I cant view any of the forums at xwis-team.net after I login.

[#103139] You do not have permission to view this forum.

I haven't been able to login into http://xwis.net/control_panel/ with any of my logins?

My name that I registered on the forums is the same name as on of the nicks on my serial. Maybe they are conflicting if you can login with your wol names.
